George V. Lauder
Director, Public Affairs

11 July 1986

Betty:

David Halevy called to say that he had obtained three possible dates for the Director (and myself) to meet with senior TIME, Inc. officials in New York City. As you will recall, I have been promoting this meeting and TIME has issued the invitation, and the Director has accepted it. The three dates that they would like to have the Director for lunch and an off-the-record session are on Thursdays, September 4, 11 or 25.

John Danvers
Please let me know which date you think will be best for the meeting.
